Dr. Mina Habashi Joins Hudec Dental

Cleveland, OH (7/16/18) – Hudec Dental is proud to announce the addition of Dr. Mina Habashi in our Lakewood office.

Dr. Habashi is excited for the opportunity to serve new patients and new smiles in the Cleveland area under the leadership of Dr. John Hudec, whom started this strong dental brand.

Dr. Habashi practiced dentistry in Egypt for more than seven years and moved to California in 2016 where he got his DDS degree from UCLA. He always knew he wanted to become a dentist from an early age due to his eagerness to learn something new about the field of dentistry whenever he would visit his uncle's dental office.

Dr. Habashi was born and raised in Cairo, Egypt. He came to the U.S. for one year during his high school year and went back to Egypt where he got his high school diploma and dental degree. When he is not in the office, he enjoys soccer, reading, and traveling.

Our Lakewood office is located in the heart of Lakewood at the intersection of Detroit Ave. and W. 148th St., just minutes away from Lakewood Hospital. Our office takes pride in being the 20th of many Hudec Dental locations with a well-educated team of providers. We provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Schedule an appointment today by giving us a call at 216-228-6633. We look forward to making you smile.
