Hudec Dental Garfield Heights Office Celebrates a Decade of Smiles

Cleveland, OH (6-8-18) – Hudec Dental’s Garfield Heights office has reached a milestone this June, celebrating 10 years of business. The company has grown from the dreams of founder/President, Dr. John A. Hudec, to a company with 20 locations throughout Northeast Ohio.

Over the years the Garfield Heights office has moved to a more convenient location and has been a good beginning and continuation office for our staff. The Garfield Heights office is the 8th Hudec Dental office to open and is proud to have served the people of Garfield Heights for the past 10 years and many more years to come.

To celebrate, Hudec Dental is inviting employees, current patients and new patients to take advantage of the festivities taking place at the Garfield Heights office throughout the week of June 11th – June 15th. The week will be full of different types of contests, celebrations and gifts for our patients during that week.

Hudec Dental continues to improve their services by providing a knowledgeable and experienced team of dental professionals who operate with the latest technology and services available. Hudec Dental’s ability to provide dental care for our patients and their families is the reason for our existence.
