Mentor, OH (8/06/18) - Hudec Dental is proud to announce the addition of Dr. Elissar Daher in our Mentor office.

"I'm looking forward to meeting my new patients and serving the Mentor community!" -Dr. Elissar Daher

Dr. Daher graduated from Case Western Reserve University School of Dental Medicine after graduating from Cleveland State University with a major in Biology. She is a member of the American Dental Association, Ohio Dental Association, the Greater Cleveland Dental Society, and Delta Sigma Delta Dental Fraternity. Her dream of becoming a dentist started out with her grandfather who instilled his dream in her as he was not able to become a dentist.

Dr. Daher grew up in Mentor, Ohio and has lived in Cleveland her whole life. Her family is from Lebanon, and she grew up visiting there every summer. She is fluent in Arabic, and when she is not in the office, she enjoys photography, drawing, traveling, and watching movies.

Our Mentor office has been proud to serve your dental needs since our doors opened in April 2011. We are located on Mentor Avenue in the same plaza as Starbucks and Verizon Wireless. We provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Give us a call or go online to set up an appointment today. We look forward to making you smile.
