### Dr. Bryan Zimmerman Joins Hudec Dental

Euclid, OH (7/12/18) – Hudec Dental is proud to announce Dr. Bryan Zimmerman joining the expertise of Dr. Irina Yarovitsky at our Euclid office.

"I'm so excited to be working for Hudec Dental! I love getting to meet with new patients!"

-Dr. Zimmerman

Dr. Zimmerman received his Doctor of Dental Medicine from the Missouri school of Dentistry and Oral Health and is a member of the American Dental Association. He has four years of clinical experience with externships in local community health centers located in Minnesota, Missouri and Wisconsin.

Dr. Zimmerman grew up in Georgia and enjoys playing basketball, swimming, and traveling. He also enjoys watching the NBA and college football. He knew he wanted to become a dentist from a young age when he slipped on a sidewalk and broke his two front teeth. His dentist fixed him up that same day, and he was in love with the profession ever since.

Our tenth Hudec Dental office in Euclid has been proud to serve your dental needs since our doors opened December 2009. Formally located at 481 East 260th Street, we relocated in 2016 to 26000 Lakeshore Avenue in Euclid. We provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Please give us a call at 216-289-0890 to schedule an appointment. We look forward to making you smile.

### About Hudec Dental

Since 1977, we've built our foundation in Northeast Ohio on the sole purpose *to improve the quality of life of those we serve*. We are driven by our work and are equally passionate about delivering value to our patients. It is with that mindset that we not only take pride in our dental care services but also work to develop and maintain personal relationships with our patients. We have created a team that is made up of knowledgeable and experienced dental professionals who operate with the latest technology and services. You can put your trust in Hudec Dental to give you the best dental care every time you choose to come and see us.

###
