### Dr. Eric Snyder Joins Hudec Dental

Cleveland, OH (9/10/18) - Hudec Dental is proud to announce the addition of Dr. Eric Snyder in our Canton office.

“I found that I shared my core values with Dr Hudec’s belief in treating patients not only for their dental problems, but in having a friendly atmosphere to make them comfortable.”

-Dr. Eric Snyder

Dr. Snyder was born and raised in the small town of St. Marys, West Virginia. He naturally gravitated towards healthcare because he was always interested in science and helping others. Dr. Snyder received his DDS degree from West Virginia University School of Dentistry and later went on to become the owner of his own practice for 22 years.

Although Dr. Snyder has practiced dentistry for over 20 years, he has played music professionally as well. He is also a major sports fan and loves watching the Indians, the Cavaliers, and WVU sports. When he is not in the office, he enjoys weight training, fishing, and boating. Dr. Snyder has always felt motivated to care for each one of his patients and is excited to be serving patients in the Canton community.

Since our doors opened in 2011, our Canton office has been proud to serve your dental needs. We are easy to locate, directly across from the Belden Village Mall in the Belden Village Tower plaza. Our office is the 14th of many Hudec Dental locations with a well-educated team of providers. In addition to general dentistry, we provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. We also offer emergency appointments and orthodontics. Schedule an appointment today by giving us a call at 330-493-0947. We look forward to making you smile.

### About Hudec Dental

Since 1977, we’ve built our foundation in Northeast Ohio on the sole purpose *to improve the quality of life of those we serve*. We are driven by our work and are equally passionate about delivering value to our patients. It is with that mindset that we not only take pride in our dental care services but also work to develop and maintain personal relationships with our patients. We have created a team that is made up of knowledgeable and experienced dental professionals who operate
