Dr. Noriel Garcia joins Hudec Dental

Strongsville, OH (3-4-19) – Hudec Dental is excited to welcome Dr. Noriel Garcia in our Strongsville office!

“Hudec Dental is a well known and respected dental company in Ohio that over the years has provided excellent dental care to the community. What I like about Hudec Dental is how they cherish its values and treat their patients like family.” – Dr. Garcia

Dr. Noriel Garcia grew up in Pinar del Rio, Cuba and attended University of Havana, Miami Dade College, Florida International University, and Case Western Reserve University School of Dental Medicine, where he graduated with his D.M.D. He is a current member of the Academy of General Dentistry, American Dental Education Association, and American Dental Association (ADA).

Dr. Garcia wanted to become a dentist because dentistry is a mix of everything he enjoys; working with his hands, science, art, and most importantly, helping people. When Dr. Garcia is not in the office, he enjoys photography, and supporting his favorite Soccer team, Real Madrid.

Our Strongsville office is our fourth Hudec Dental office, and we have proudly served our patients since our doors opened in 1997. We are located on Pearl Road just 2 miles south of Route 82 in Town Centre shopping plaza. We provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Please give us a call at 440-572-4840 to schedule an appointment. We look forward to making you smile.
