Dr. Alicia Mickles joins Hudec Dental

Cleveland, OH (7/19/2018) – Hudec Dental is proud to announce the addition of Dr. Alicia Mickles in our Garfield Heights and Lorain Avenue Offices.

“I am excited about joining the Hudec Dental team. I want to not only provide care, but also educate patients; because a smile is worth a thousand words” said Dr. Alicia Mickles.

Dr. Alicia Mickles graduated from Meharry Medical College School of Dentistry with her Doctor of Dental Surgery Degree in Nashville, Tennessee. After practicing dentistry in Tennessee, Mississippi, and Connecticut, she joined Hudec Dental with excitement to join a practice with a long history of serving a diverse group of patients.

Dr. Mickles grew up in Mobile, Alabama, and was inspired to become a dentist because she wanted the ability to provide dental care and education to unserved populations where dental care was not seen as a necessity. In her spare time, she enjoys spending time with her two dogs, reading, cooking, and online shopping. Her favorite quote is a Harriet Tubman classic, “Every great dream begins with a dreamer. Always remember, you have within you the strength, patience, and passion to reach for the stars to change the world.”

The Lorain Avenue office is our third Hudec Dental location and the Garfield Heights office is our eighth Hudec Dental location. Dr. Mickles will be splitting her time serving patients at both offices. Both offices provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Please give us a call at 216-661-8888 to schedule an appointment with Dr. Mickles at either location. We look forward to making you smile.
