Dr. Richard Vincent Kun joins Hudec Dental

Cleveland, OH (3-4-19) – Hudec Dental is excited to announce the return of Dr. Richard Vincent Kun in our North Royalton office!

When Dr. Kun was asked how he felt about his return, he said “I’m really excited to be a part of the Hudec Dental team to synergistically help the oral health and wellness of patients with awesome team members some of whom are new to me and some of whom I’ve worked with before. I have learned a whole lot about the life of dentistry beyond procedures at Hudec Dental. It is great to be back to bring excitement to dental care and continue to learn and grow.”

Dr. Richard Kun attended Baldwin-Wallace College, Case School of Dental Medicine, and Case School of Dental Medicine’s AEGD Residency. He has practiced dentistry in Cleveland and San Diego. Dr. Kun pursued a career in dentistry because he wanted to be in a position to help people achieve a state of health and well-being, both in overall health and dental health. He enjoys seeking out the highest good in all people, places, and circumstances in order to come to an awareness that can promote a beneficial experience for all involved and for the greater good of our planet. In his free time, Dr. Kun enjoys running, weightlifting, swimming, meditation, reiki, traveling, and spending time with his three cats.

Our North Royalton office is our sixteenth Hudec Dental office, and we have proudly served our patients since our doors opened in March 2012. We are located on Ridge Road in a standalone building in front of Royal View Elementary School. We provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Please give us a call at 440-237-9197 to schedule an appointment. We look forward to making you smile.
