### Dr. Sofia Xofylli joins Hudec Dental

Cleveland, OH (2-26-19) – Hudec Dental is excited to announce the addition of Dr. Sofia Xofylli in our Orthodontics office.

Dr. Sofia Xofylli was born in Cologne, Germany and spent part of her childhood in Illinois. She originally is from Thessaloniki, Greece, where she grew up, went to school, and where her family now resides. She attended the Dental School of Aristotle University in Thessaloniki where she received her Doctorate in Dental Surgery (DDS) degree. Dr. Xofylli was inspired to become an orthodontist by her father, who is a speech pathologist and cofounder of the first Craniofacial Team in Greece. To pursue this dream, Dr. Xofylli moved to Cleveland, Ohio to complete her Orthodontic Residency and receive her Masters in the Science of Dentistry (MSD) degree from Case Western Reserve University. While at Case, her research culminated in her Thesis on Biomechanics and Orthodontic Tooth Movement with Invisalign.

Dr. Xofylli is currently an Assistant Professor at Case Western Reserve University School of Dental Medicine. She is also a member of the American Association of Orthodontists (AAO), the Great Lakes Association of Orthodontists (GLAO), and the Dental Association of Thessaloniki, Greece. In her free time, she enjoys traveling, cooking and baking, listening to music, and spending time with her family. She loves to vacation to anywhere that allows her to swim in the Aegean Sea.
