Dr. Seung Yeon (Sunny) Bae joins Hudec Dental

Cleveland, OH (7-10-19) – Hudec Dental is excited to welcome Dr. Seung Yeon (Sunny) Bae in our Bedford office!

“I look forward to helping all my new patients at Hudec Dental!” – Dr. Sunny Bae

Dr. Sunny Bae attended Case Western Reserve University where she graduated with her Bachelor of Arts degree and then went on to attend Case Western Reserve University School of Dental Medicine where she graduated with her Doctor of Dental Medicine (DMD) degree. She completed her General Practice Residency at Summa Center for Dental Health.

Dr. Sunny Bae grew up in Seoul, Korea and then moved to the United States when she was 12. She lived in Oregon and Maryland, and finally made it to Cleveland! In her spare time, she enjoys playing volleyball (both indoor and outdoor), traveling, and watching Netflix.

The Bedford office is our ninth Hudec Dental location and the Euclid office is our tenth Hudec Dental location. Dr. Bae will be splitting her time serving patients at both offices. Both offices provide state of the art cosmetic dentistry, non-surgical periodontal treatment, and whitening procedures. Please give us a call at 216-661-8888 to schedule an appointment. We look forward to making you smile.
