Madison Family Dental Merges with Hudec Dental

Lakewood, OH (1-6-20) – Hudec Dental is excited to announce the merge with Madison Avenue Family Dental located at 15509 Madison Ave. Lakewood, OH 44107.

With the opening of the new Madison Avenue office, all of the current Hudec Dental Lakewood patients will be moving from the Detroit-Warren office along with all doctors and staff. This move will be happening on January 6th, 2020. With a more convenient location and a private parking lot, Hudec Dental chose the Madison Avenue location to better serve our community. As a part of this change, Dr. Brian Hudec will be moving to the Hudec Dental office located on Broadview Road and the current Hudec Dental Lakewood dentist, Dr. Mabelle Khoury, will become the new dentist at the Madison Avenue office.

Dr. Khoury has worked at Hudec Dental for almost 11 years. She is a graduate of Youngstown State University and The Ohio State University School of Dentistry. Dr. Khoury grew up in Beirut, Lebanon and was inspired by her own wonderful dentist she had to become one herself.

Hudec Dental continues to improve its services by providing a knowledgeable and experienced team of dental professionals who operate with the latest technology and services available. Hudec Dental's ability to provide dental care for our patients and their families is the reason for our existence.

About Hudec Dental

Since 1977, we've built our foundation in Northeast Ohio on the sole purpose *to improve the quality of life of those we serve*. We are driven by our work and are equally passionate about delivering value to our patients. It is with that mindset that we not only take pride in our dental care services but also work to develop and maintain personal relationships with our patients. We have created a team that is made up of knowledgeable and experienced dental professionals who operate with the latest technology and services. You can put your trust in Hudec Dental to give you the best dental care every time you choose to come and see us.

###

"To improve the quality of life of those we serve."
