Hudec Dental Offices Temporarily Close but Continue to Offer Tele-Dentistry

Cleveland, OH (3/31/2020) – Hudec Dental has made the difficult decision to temporarily close all their dental offices effective at 5pm today, Tuesday, March 31st through Friday, May 1st. They based this decision upon the evolution of the virus situation, patient demand, government restrictions and the well-being of their staff and patients alike.

Their physical office doors have closed but there are still two options for the individuals in Northeast Ohio that are looking to ask a dental question, that have a dental concern or are experiencing dental pain.

Their first option is that Hudec Dental has created an “Ask the Dentist” tele-dentistry tool that can help ease those concerns or identify if the patient is having a dental emergency. It’s a simple process submit your consult request and one of Hudec Dentals doctors will review and provide guidance to you FREE of charge. This tool can be found on the homepage of our website under the COVID-19 tab or by clicking [here](#).

Their second option is their Patient Care and Support Center phone lines are open and can service patients at ALL their offices.

Hudec Dental wanted to continue helping their patients with their dental health but also be conscious of how many patients they see in a day. By temporary closing their offices and offering the tele-dentistry Ask the Dentist tool they can continue to serve the community while also protecting the well-being of team members and patients alike.

This FREE service is for ALL of Northeast Ohio to help ease some fear and uncertainty in this time of uncertainty. This concept is something completely brand new to the dental community in Northeast Ohio. The hope is that it helps keep everyone healthy and pain free when it comes to dental care. Hudec Dental is honored to provide support during this time of need.

About Hudec Dental

Since 1977, we’ve built our foundation in Northeast Ohio on the sole purpose *to improve the quality of life of those we serve*. We are driven by our work and are equally passionate about delivering value to our patients. It is with that mindset that we not only take pride in our dental care services but also work to develop and maintain personal relationships with our patients. We have created a team that is made up of knowledgeable and experienced dental professionals who operate with the latest technology and services. You can put your trust in Hudec Dental to give you the best dental care every time you choose to come and see us.
